

Success is Built on Trust. Trust Starts with Transparency

<p class="uk-text-large">

At SalesTim, Trust is our #1 value, and we believe that it cannot be achieved without full transparency.

At SalesTim, Trust is our #1 value, and we believe that it cannot be achieved without full transparency. It's especially true for security. Security through obscurity is a weak security control, and nearly always fails when it is the only control.

Through these pages, you'll discover: - How we're operating our services - Our release process - How we manage data - How to integrate SalesTim securely in your own corporate environment
